ACCESS TO CULTURE

A fundamental right of all citizens

COMMITMENT STATEMENT ASSOCIATION EUROPÉENNE DES CONSERVATOIRES MOTIVATION TO CONTRIBUTE TO THE WORK OF THE ACCESS TO CULTURE PLATFORM

The AEC upholds the belief that music is a phenomenon profoundly embedded in our universal humanity, capable of connecting and enriching us as emotional and rational beings and that, as such, it should be cherished, sustained, developed and celebrated in all its forms and in all possible ways. It further believes that music should be encouraged at all ages and stages; and that the routes to individual musical attainment should be made as transparent, open and socio-economically fair as possible. As such, AEC is wholeheartedly committed to the aims and work of the Access to Culture Platform.
