## COMMITMENT STATEMENT CEATL EUROPEAN COUNCIL OF LITERARY TRANSLATORS4 ASSOCIATION MOTIVATION TO CONTRIBUTE TO THE WORK OF THE ACCESS TO CULTURE PLATFORM

CEATL is willing to establish working relationships with other European organisations and networks of creative professions in order to support each other in achieving the goals that we have in common because of the artistic nature of our profession.

We aim to make translation more visible and respected throughout Europe, standing up for the right treatment of translators as authors and copyright owners and lobbying for better conditions for translators as highly qualified professionals.
